

ALS Liga donates 100 000 euro to researchers of the VRC

On Tuesday, December 31, 2013, Philip Van Damme, Elke Bogaert and Louis De Muynck received a check of 102 590 euros from the ALS Liga fund 'A cure for ALS ". The funds will be used to invest in new research equipment and for several research projects. Yearly the ALS Liga donates money to support research in ALS. The fund 'A Cure for ALS" receives money from donation made by patients and fundraising activities like the "Like to the Strike" action on the Facebook page of the ALS Liga.
